"Where infinite possibilities create a world of its own."

— MARK MANTIONE, METRICA CEO NORTH AMERICA

As one of the industry's leading providers of bespoke furniture and interiors for ultra-luxury yachts and residences, metrica has earned a reputation for unmistakable craftsmanship, uncompromising detail, and technical prowess that is unmatched anywhere in the world. Now metrica has introduced a new bespoke furniture division for renowned designers and architects to create their most distinguished custom designs. Our relentless pursuit of perfection begins with the finest hand-selected materials, brought to life by old-world craftsmen using modern day techniques to express the designer's inspired vision.

AHEAD OF THE CURVE

Pushing the boundaries of design and innovation, **metrica** has curated a world-class team of artisans to craft one-of-a-kind furniture and cabinetry for the most discerning architects and interior designers. Whether it's an extraordinary table, or a collection of high-style pieces, we believe that meticulous execution has to be as extraordinary as the design itself.
